

STREET FURNITURE  
**RIBBON RANGE**

Introducing our  
Ribbon Range of  
street furniture.

With contemporary architectural design, it works beautifully in any environment from urban streetscapes to lush parklands.

**100% Australian made and designed to Australian Standard AS 1428 2 (R2015), the Ribbon range is made from quality, durable Spotted Gum timber that is sustainably sourced in NSW and QLD.**

The Ribbon range showcases a selection of unique features. The iconic open loop frame combined with exquisite Spotted Gum battens ensure a clean modern aesthetic throughout the range. Elegant leg supports on the outdoor timber bench seats and tables flow backwards for greater ease of access and to eliminate trip hazards. The radius edges and wide battens deliver added comfort.
